HELP YOUR COLLECTION CREW

- Ensure no vehicles are parked in front of or beside the container.
- Maintain clear and safe access to your container.
- Make sure your container is in an open and well-lit area.

AVOID SERVICE DELAYS

- Be sure to place trash in clear view of the street and within three feet of the curb.
- Place your cart or bags out the evening before your service day.
- All trash must be bagged to receive service.
- Bags must weigh less than 35 pounds to receive service.
- Have your MSW Decal displayed in a highly visible location for our driver.

KEEP A CLEAN AREA
